

CATHBURN CLASSIC CARS

Make memories that will last a lifetime and arrive in style and comfort for your wedding service or reception in a Classic VW Camper or iconic British sports car from Cathburn Classic Cars.

We'll take care of every detail for you and work with you to plan the perfect day. Our Campers will be decorated both inside and out, co-ordinated with your day and will come with chilled bubbles and mineral water for you to enjoy.

Taking pride of place in our classic car fleet is Californian Girl Betsy the beautifully restored 1977 VW Camper. Betsy is a great addition to your wedding day and will be only too happy to join you and pose with your wedding party for pictures.
